

MPO TRANSIT STUDY

Places.

public transit.

People.

The MPO Transit Study is ready to look at the implications of various transit concepts, as we move towards a final recommendation this Fall. After months of talking with people, placing dots and connecting them with ribbons, we have conducted an extensive technical analysis to put the pieces together. Now, we have choices to make. Commuter rail? Light rail? Better bus service? What combination fits best for us?

Tell us at an important Open House on August 25th!
